

# Edward Alexander, PGA Professional

Edward runs the Westerham Junior Golf Academy, designed to help junior golfers take their first steps into the world of golf. The academy introduces and develops the key fundamentals of the game in a fun and educational environment.

Westerham Golf Club is committed to developing the skills of junior golfers and The Golf Academy therefore operates regular weekend classes and school holiday 'camps', which are very popular for children aged 5 to 16 years of age. In addition to these group classes, individual coaching is available for Adult and junior golfers. Coaching is available to all ranges of golfer, from complete beginner to the most experienced players. Packages can be tailored to suit your personal needs.
